

# CHALLENGE WANAKA PATRONS AND BUSINESS PATRONS

Celebrating its 11<sup>th</sup> anniversary on 18 February 2017, Challenge Wanaka has grown from 200 to 2,000 athletes, has brought international recognition to the town on the world stage and delivered over \$30 million of direct economic benefit into the community over the past decade.

None of this would have been possible without the support and generosity of sponsors and patrons. As a non-profit charitable trust, the event needs all the financial support it can get and 2016 is no different.

Be a part of this inspirational event either personally or through your business and enjoy the rewards many times over, knowing you have played a part to keep this valuable event for the region for another 10 years!

Thank you,  
Challenge Wanaka Sports Trust Chairman, Tom Pryde and the Trustees

The Challenge Wanaka Sports Trust invites you to become a Patron or Business Patron of this inspirational event. As a Patron, you will be entitled to exclusive privileges.

Your support is absolutely critical in allowing the Trust to deliver and build on Challenge Wanaka's success, bringing even more social and economic benefits to the region. The legacy Challenge Wanaka has created is already significant - with increased local participation of all ages, a thriving volunteer programme, millions in economic benefit and putting Wanaka firmly on the international sports tourism map.

The Challenge Wanaka Sports Trust is committed to further increasing this legacy with your help.
